Grammarly will check for different types of writing, giving customized advice. We suggest doctoral students set Grammarly to the type Dissertation to practice for that level of writing.

In Grammarly.com
Upload or copy/paste in your document.
Use the tool on the left side to choose your document type:

If you have the Microsoft Word plug in
On the Grammarly ribbon, choose the Type option

Questions? Contact the library at doctoralreference@coloradotech.edu or 719-590-6708.
